Dedication

Mrs. Marion Adams

The Class of 1979 proudly dedicates our yearbook to Mrs. Marion Adams.

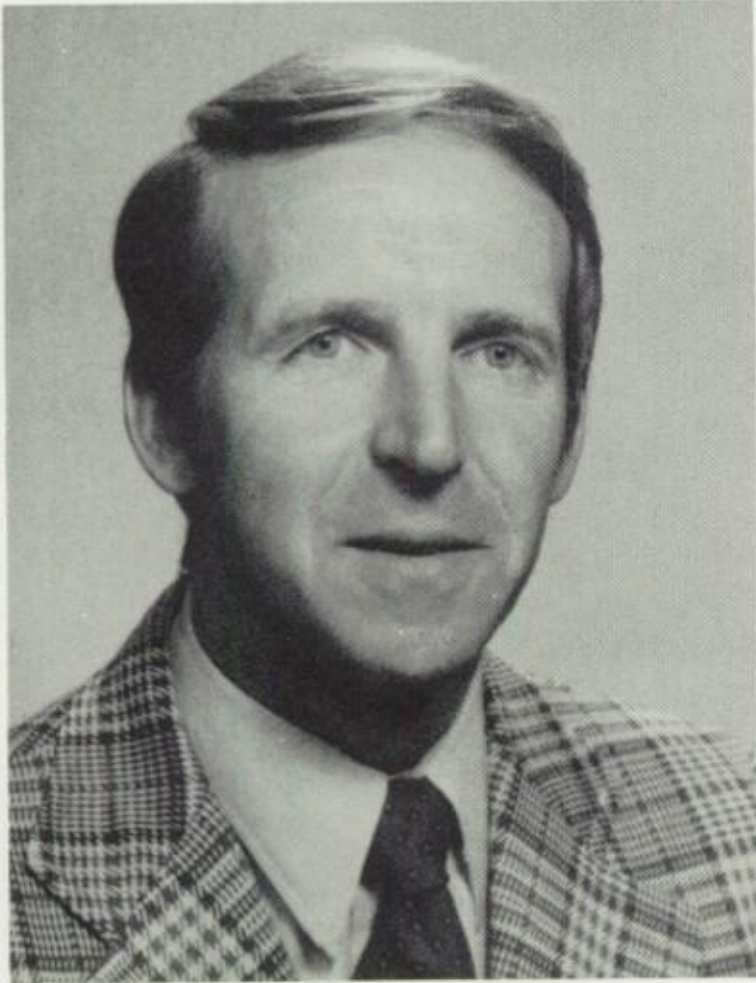

This teacher is our guiding light, an exceptional lady who expects of her students their greatest potentials. In her eyes, the students are all equal, and she helps each individual realize he has as much to offer as any other, helping a student to feel better about himself and gain self-confidence.

Her friendly smile makes all feel special. To all of her students she is an inspiration.

So to you, Mrs. Adams, we extend full gratitude for being a great help and a special friend during our high school years.

Custodians and Cooks

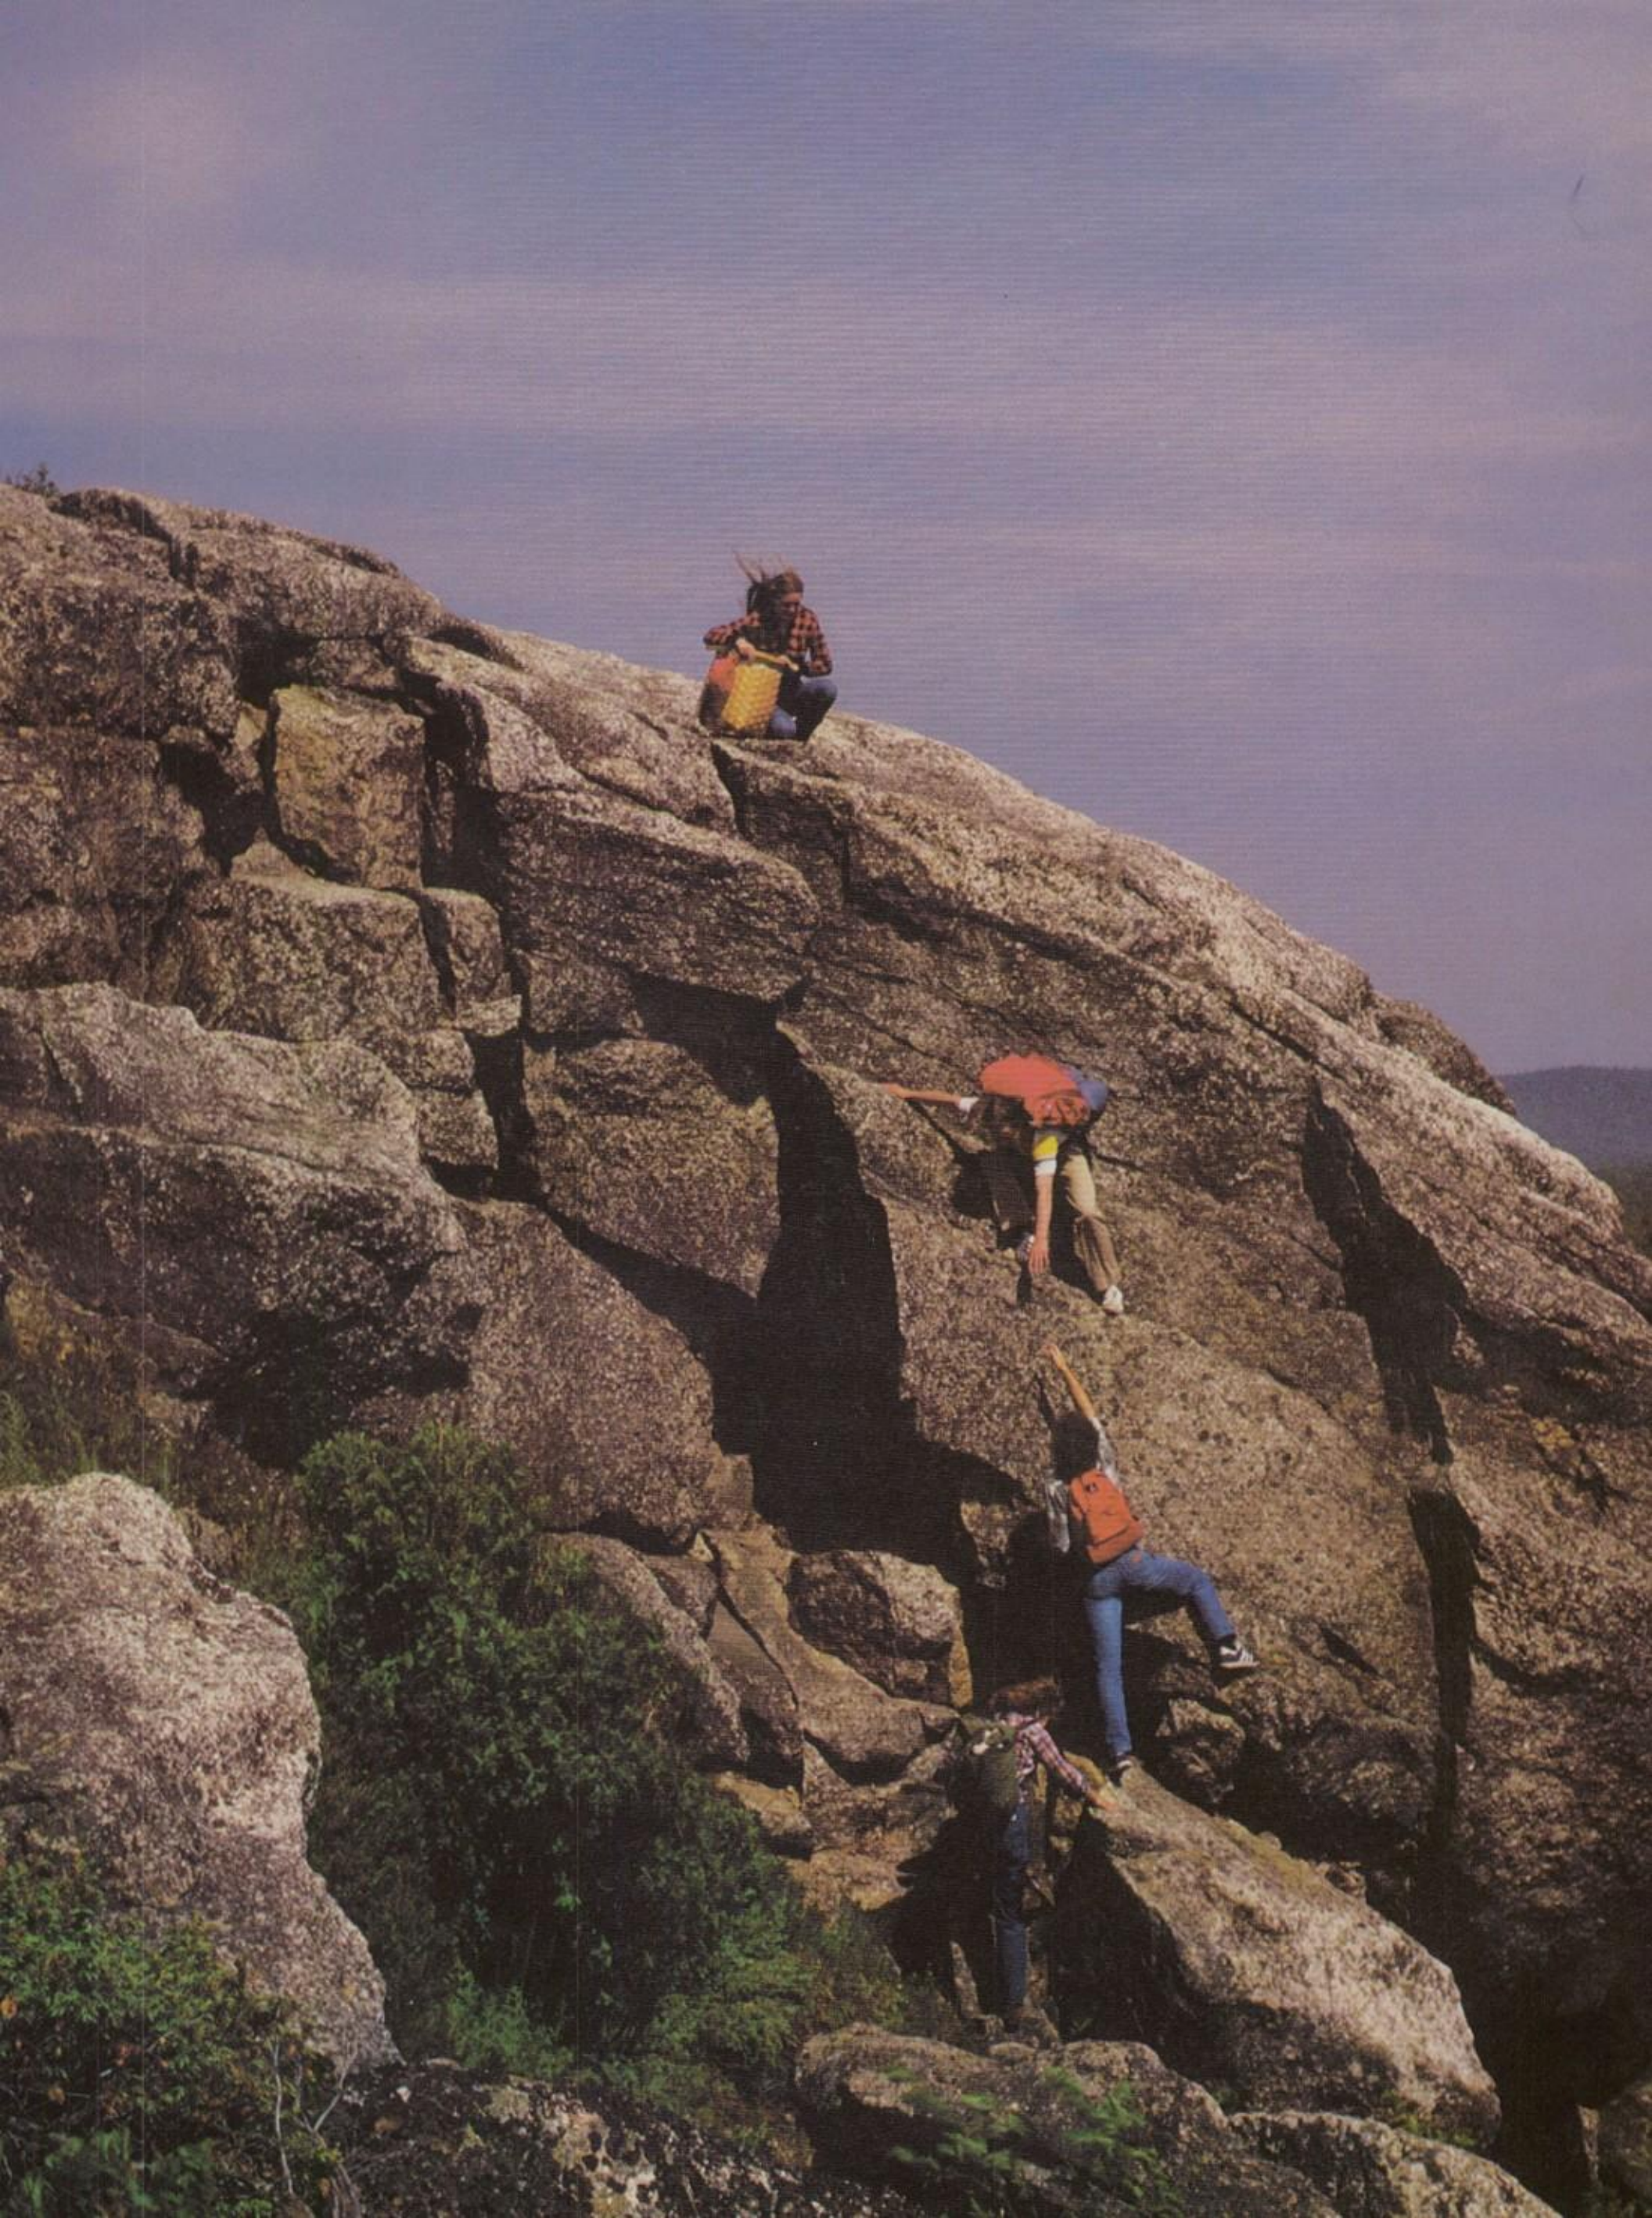

Possibly the most underrated part of the school staff is the custodial crew. Whether repairing equipment or just cleaning up, the school could not function without them. To these hard-working individuals, we say, "Thank you".

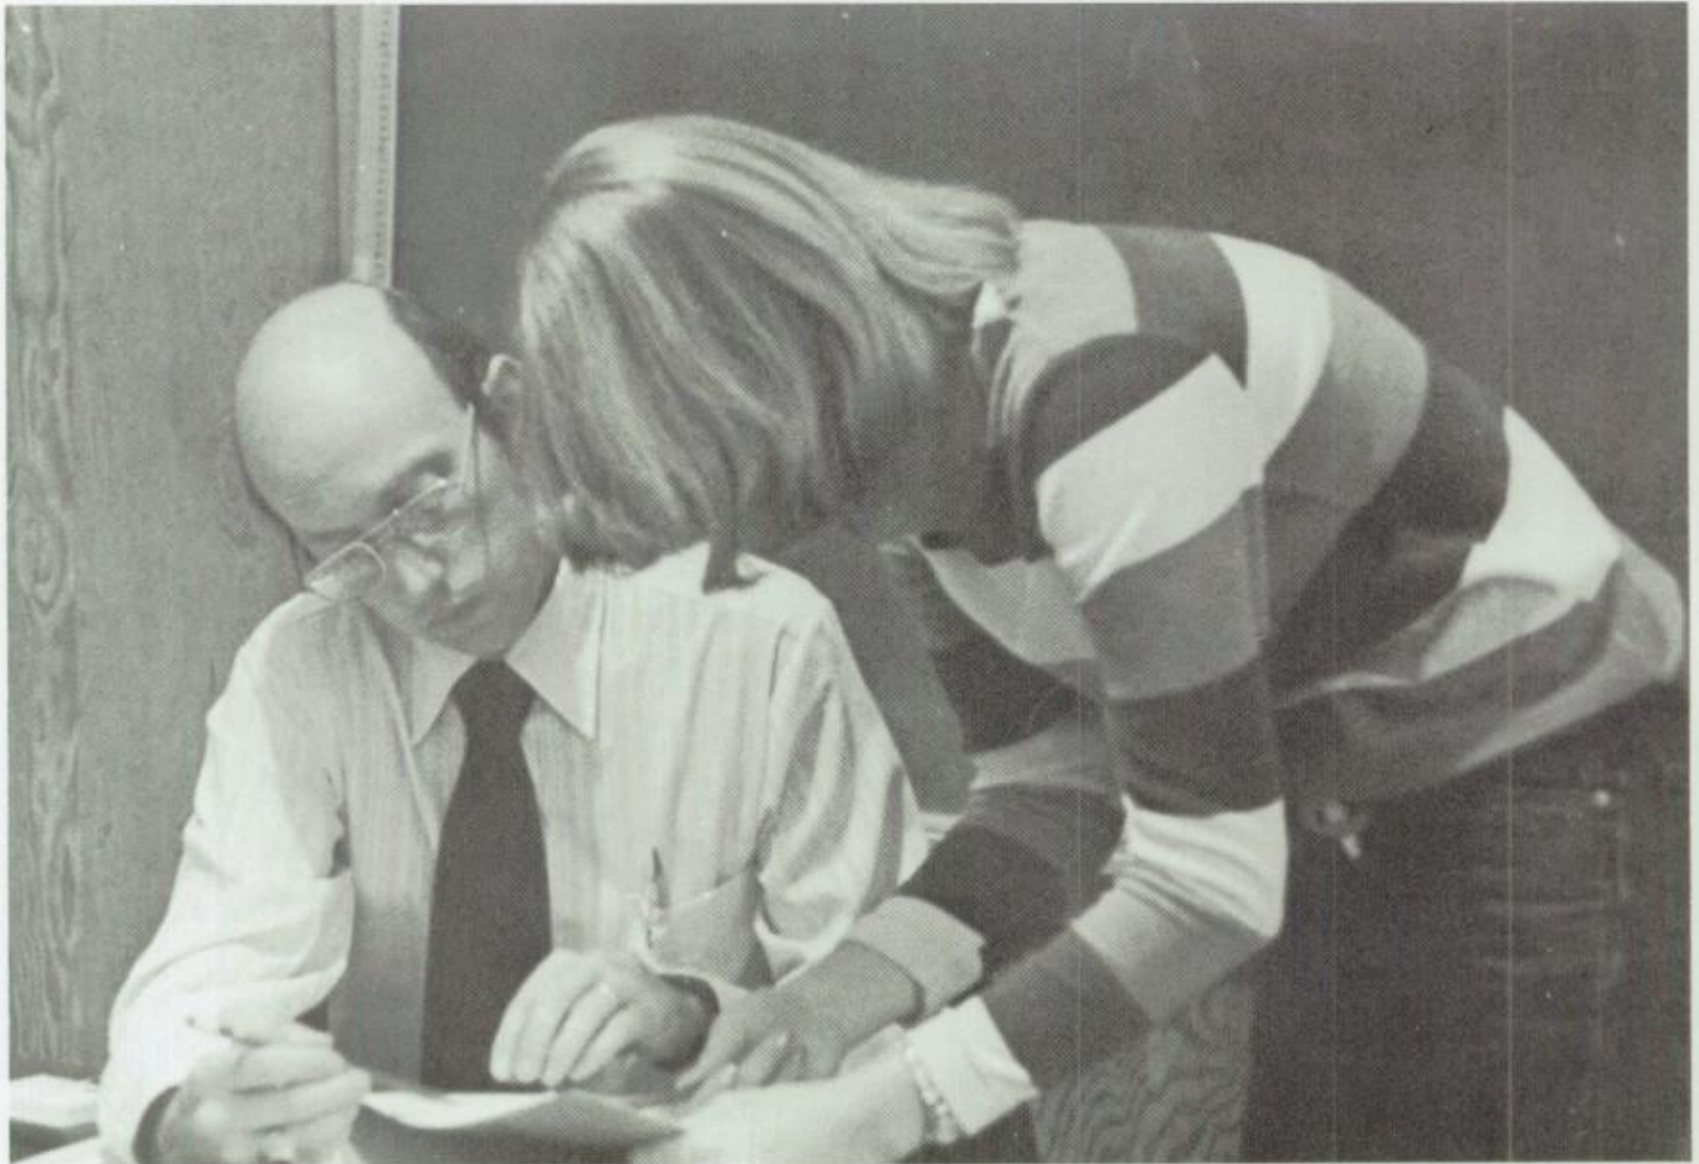

Don Gosselin, "Mickey" Mallory, Al Worster, Bob Matty. Absent from photo: Elwyn Dority, Dale Gosselin, Ronald Ward, Robert Deschaine, Walter Gogan.

Getting our meals ready for a school this size is a very difficult task; yet our cooks seem to get the job done efficiently. They work extremely hard to keep our bodies going through the remainder of the day.

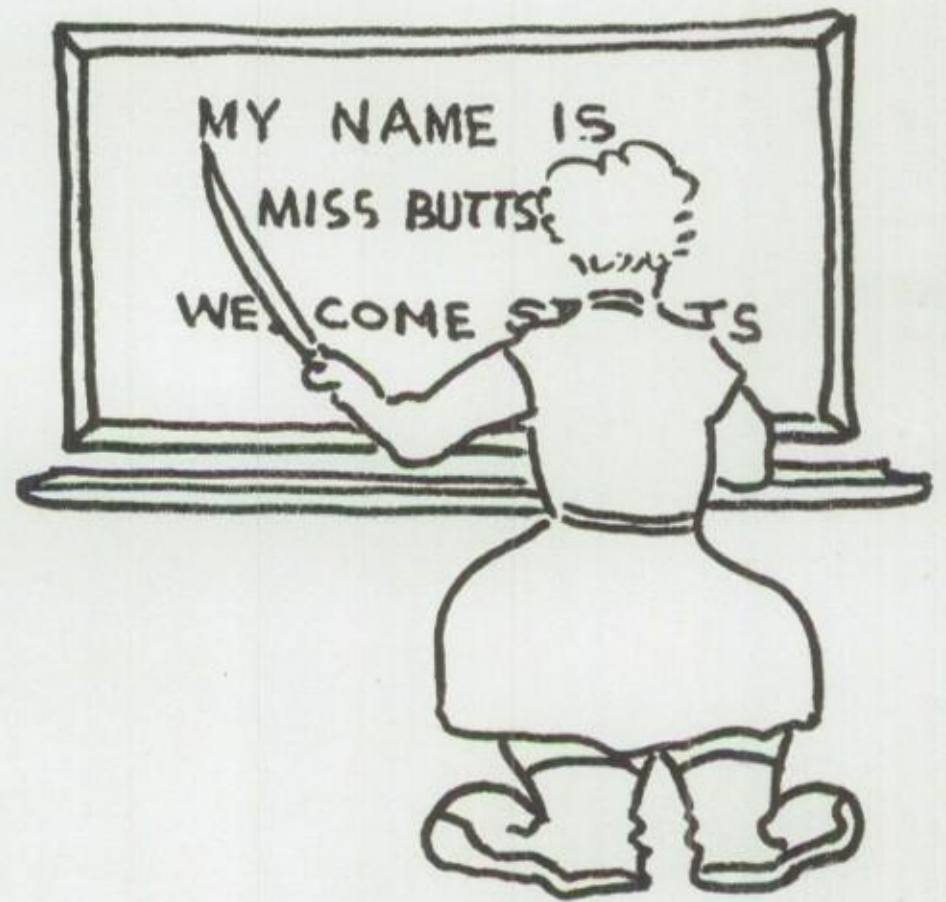

Phyllis Tourtillotte, Jo Goss, Phyllis Lombard, Vera Collins, Mary Arbuckle, Jane Marston, Rita Houston.

Well, it's like this . . .

"All right . . . who did it?"

With a great deal of hard work and dedication by all the team members, and under the excellent guidance of Coach LoPetro, the Cross Country team completed its most successful season in its history.

The most memorable meet of the year for the Boys' Varsity team was the traditional meet against Bangor. John Mills, Scott Marsters, and Glendon Rand crossed the finish line together setting the school record. The Varsity also showed its talent by winning the Sectional Special at UMO, placing second in the Regional Meet at Waterville, and placing fourth in the State Meet at Portland. The season ended with an excellent record of 53 wins and 8 losses.

The Junior Varsity Team, which has competed well for the past two years, once again showed its supremacy during this season in its third year of existence. With the record of 38 wins and only 2 losses it could easily be the best JV Cross Country team in the state. The losses were to Old Town, who Brewer beat three times, and to MDI, whom we beat twice.

The girls' team, in only its second year, is still in the building process. With the help of several individual efforts the girls qualified at the Regional Meet to go on to compete in the State. Mary Lynn Cyr, the phenomenal freshman runner, led the girls in their 8 wins. All of the girls developed through the progress of the season, and they look forward to next year because all will return.

This year's varsity football team ended its season with a record of three wins and six losses. Although it was not a particularly successful season, it did have some highlights that the squad remembers: the 14-0 opening victory over Westbrook, the 26-14 win over Biddeford, and, most notably, the 18-0 whitewashing of Cony in which it was the last time that the seniors were seen donning their black and orange on Doyle Field. The Witches were lead by Tri-Captains Ed Trask, Dave McKenney, and Dan Moore and the All-State nominees Jim Edison, Jim Pelletier, and Tom Glaster. The season was capped by a heartbreaker-of-a-loss to Brewer's arch rival Bangor which prompts the well worn, but appropriate cliché, "We'll get 'em next year!" Good luck to the 1979 football Witches!

This year's hockey team was coached by Coach Ralph Judkins. In his first year, Coach Judkins produced a hard fought record of five wins and six losses. The girls' record could have been much better, but they had some very tough competition, with many of the regular season contenders being in the top four of their respective class. As the season first began there was little enthusiasm, but as the fun of the sport was more widely discovered, the team picked up more girls. Next year Coach Judkins hopes to have all of the participants before the season gets under way.

The team was led by co-captains Lisa Lord and June Judkins. Lisa had a very successful year with ten goals and seven assists. The backfield consisted of seniors Kathy "Toastie" Goodness, Karen "Boomer" Coombs, June "Twinkles" Judkins, and in the cage Alayna Masters. We regret the fact that due to an injury, Cathy Kelly had to spend all but the first four games on the bench. In these games Cathy had four goals to her credit. The team would like to thank these seniors and Coach Judkins for their dedication to the team and the sport.

I wonder, if they're talkin' about me.

Brewer Basketball 1978-79

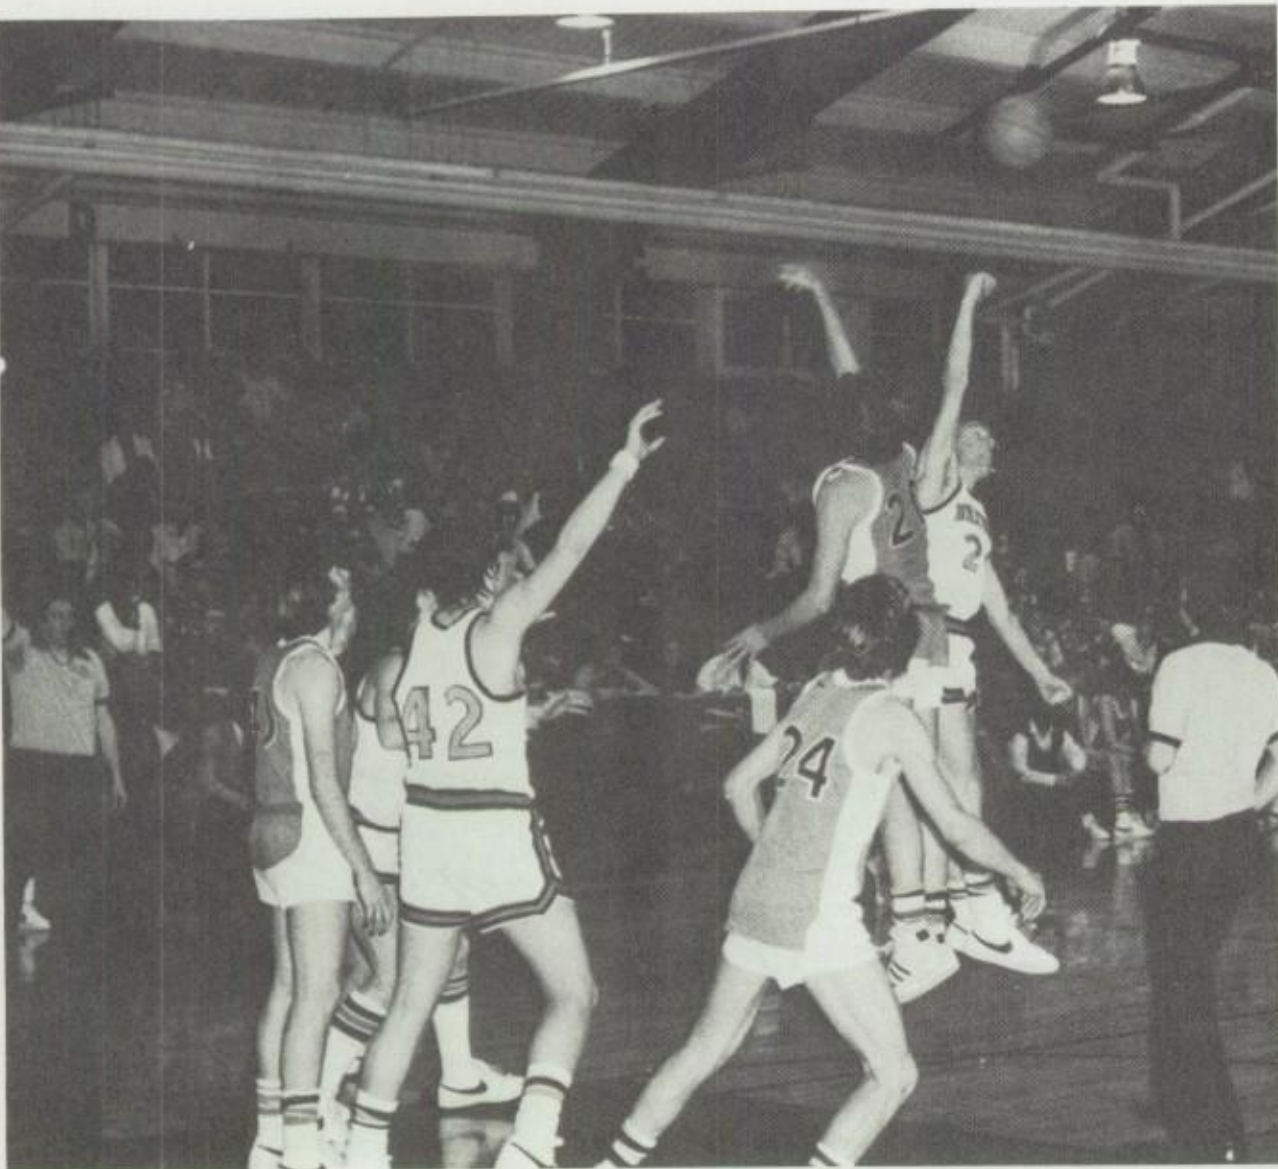

This years' version of Brewer Basketball coached by Dan O'Connell was no exception, toward an exciting and enthusiastic year. The year started out with two impressive wins against Skowhegan and Bangor. The next three games resulted in losses. But during the Christmas Vacation Brewer bounced back and finished in 3rd place in the Christmas Tournament (highest standings ever for Brewer High School in this event) winning two games and losing 1.

The remainder of the season was a hard fought battle to get those two or three wins to get Brewer in the Tournament picture. The important games during the season was the four point win over highly rated Winslow, the two point overtime loss to Nokomis and the two point come from behind overtime win over Rockland. And finally the very impressive eight point win over Stearns High School (the first time the Brewer Varsity has beaten Stearns at their place in 10 years).

Matt Carroll, the lone senior member and captain, expressed much dedication and leadership. The Junior members who supplied the backbone of the squad were pivotmen: (capt.) Jim Churchill, Dana Chapman, John Mills — scoring forwards: Doug Farnham, Jeff Igoe, Todd Michaud and — playmaking guards: (capt.) Mike Webb, Charles Milan. The Sophomore members were center, Phil Pushard; forward, Rick McEwen, and guard, Tim Kenney.

The Team was firmly backed by the combined efforts of the managerial crew including Peter Pelletier, Dana Frederick, Rick Kimball and Head Manager, Steve Jones. A special Tribute to a Senior this year goes to Steve Jones. For the past 3 years he has been the Head Manager for the Basketball Program. Steve has given countless time and effort. He is respected by his peers and coaching staff.

The Brewer "Vikings" of 1978-79 had their best season in years. The boys, led by co-captains, Steve Giles and Steve Huskins, and by junior, John Condon, had the best record of any winter track team from Brewer in the last six years, with a regular season record of twenty wins and five losses. The girls' record was not quite as good, but there were many strong individual performers. Co-captains, Kelley Husson and Molly Alley set the pace for the girls, along with the team's freshman sensation, Mary Cyr. Both teams are young and show great promise for many more successful seasons.

The Brewer High School tennis team has started its second year of competition tennis under the direction of Coach Ralph Judkins. We play against such area schools as Bangor, Orono, Lincoln, MDI, Skowhegan, Waterville, and Woodland. This year four of our players went to the State finals in Portland. We would like to give special thanks to the Brewer Recreation Department for the upkeep of the courts, and to Coach Judkins for his dedication and support. Good luck to the 1979 team.

Brewer's big nine started the season playing in a snowstorm. After Coach DeVarney's team began with an impressive win against Ellsworth the Witches lost three straight games. Overcoming three losses the team bounced back winning eight of their final eleven games, resulting in a respectable nine wins and six losses. Neil "Spike" Ford and Mark Piper were co-captains for their second year. Despite a knee injury, Chris Lenfest with the assistance of Chris Caler hit the .500 mark for the year, starred in their respective positions — shortstop and right field. Mark Twitchell and Tom Glaster were outstanding underclassmen players. Although Brewer lost to Bangor, Chapman performed his best in this game of his high school career.

The 1978 Softball Team, under head coach, Shelley Gavett and assistant coach, Rhonda Brockway, followed the '77 Eastern Maine Runner-Up' group in style by bringing the Eastern Maine title to Brewer. In doing so the ladies compiled an impressive 12-6 record including a 23-3 victory over Caribou in the semi-finals and an exciting 3-2 win over Rumford in the Eastern Main final. By garnering the E.M. title the Witches got a shot at the State title against Mt. Ararat in Augusta. Unfortunately Brewer came out on the losing end of a 9-1 battle.

Offense was the key in many Witch victories this season as the team batting average was an incredible .444. Brewer, led by sophomore Amy Banks, freshman Kathy Gibbs, and sophomore Kelly Cookson batting .620, .600, and .596 respectively, were awesome at the plate with Cookson and junior Marianne McNally producing the occasional long ball.

Coach Gavett can count on another excellent season in 79 as Brewer loses just one senior, Noreen Laughlin, who along with McNally captained the Champs.

Congratulations, ladies on a fine campaign and good luck in your quest of the title in '79.

The award-winning Brewer High School Band under the direction of Mr. Curvin Farnham has had a truly productive year. The Stage Band, under the direction of Curvin Farnham, plays for activities such as dances, meetings of the Music Association, the Se Beowulf Fashion Show, Basketball games, and other fundraising events. Last Year, the Stage Band achieved its highest goal ever when they received a Number One rating and the District Six Festival Competition and then going on to win the State Championship in the Division B competition.

The Main All-State Music Festival is a concert festival sponsored by the Main Music Education Association. Members are chosen on the basis of auditions. There is a one hundred and twenty-five piece band, a one hundred piece orchestra, and a three hundred voice chorus. The students are conducted by professional music directors. On the fifth and final day there is an afternoon and evening concert. Again this year Brewer is fortunate in that a large number of students were accepted to All-State.

Art Club

Front (L to R): Tammy Mallory, Janis Libby, Marcia Richards, Mimi Campbell, Alan Boober, Ted MacDonald. Standing (L to R): Cathy Conn, Mike Southard, Rob Cyr, Mike Dean, Todd Greenquist.

After this photo was taken, it came to our attention the Art Club does not exist. However, we have included this picture because it represents only a fraction of the students who wish to have an art program. Brewer High School is the only area high school without an art program. We feel that we need an art program, as any of the above people will tell you.

"B" Club

The current fund raising project that the B-Club members are involved with is selling programs at the basketball games. A dance has been planned for Jan. 19 after the Brewer — M.D.I. basketball game. The profits will benefit the cost of physicals that each student is required to have if they participate in athletics.

During February vacation, B-Club members will usher at the basketball tournament in Bangor.

The female B-Club members decided to change the style in the letter jacket this year. The style for the past four years was nylon with white trim. The new jacket design is black wool with white trim. These jackets may be ordered from Mrs. Lemke anytime throughout the school year. The price range is \$23 — \$33 depending on the choice of lining and options offered.

Chess Club

Front row (L to R): Wendy Brundage, Cathy LeClerc, Scott Wheeler, Mike LeClerc, Gary Gilmore. Back row (L to R): Mr. King, Mark Hall, Butch Patterson, Bill McNeil, Dave Hannington.

The Chess Team, coached by Mr. King, consists of six top "boards" and several alternates. The positions at press date are: # 1 board — Mark Hall, # 2 board — Scott Wheeler, # 3 board — Gary Gilmore, # 4 board — Dave Hannington, # 5 board — Mike Leclerc, # 6 board — Wendy Brundage, and # 7 board — Bill McNeal. The team has meets on Thursday afternoons, both home and away. Their record is disappointing, but the players are confident that they can win the PVC championship in March.

The Drama Club, Brewer High's theatrical organization, is a very active group. Each year they put on one major production. This year's play is the classic, *Our Town*, by Thornton Wilder. Mr. Button, the club director, is very dedicated and always insists on professional results from the actors and technical crew. All the members of G.M.B. Juniors

The Brewer High School Skiing and Outing Club is an organization of which the main purpose is to have fun. Anyone is eligible to join the Outing Club with a minimal fee. Our advisor, Bruce Wardwell, works closely with the members to organize activities such as skating at the Alford Arena, swimming at Husson pool, hiking in the Maine woods, and skiing at Sugarloaf and Squaw Mountains. Each year approximately twelve seniors along with the advisors take a camping trip to Mt. Katahdin.

Rowdie Club

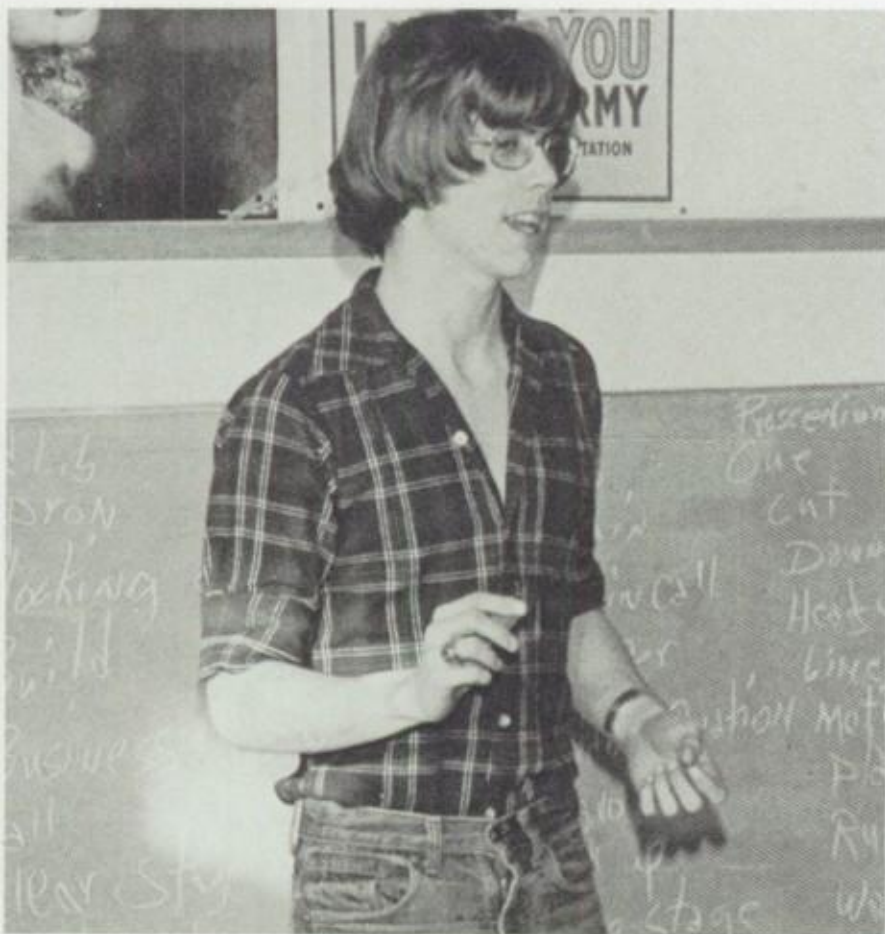

The "Rowdies" are a special breed of people who block out personal habits and lose self-control at all the basketball games. This was the second year for the club and it was truly another successful year. There was a great turnout at all the basketball games, home and away, and one could always expect a round of applause, a sigh of relief or a scream of disapproval from the "Rowdie Section." The Rowdies were highlighted by some outstanding performances from Rich Ruhlin, Tony Manzo, Bubba Clark, Herb Jordan and Most Valuable Screamer, Tim Revello.

Speech and Debate

(L to R): Eric Kell, Cheryl Harvey, Larry Clark, Tammy Mallory, Ron Martin, Janet Hartery, Todd Greenquist, Mr. Button. Absent: John Edwards.

Once upon a time . . .

The Speech and Debate team meets every Wednesday after school in room 16. The main activity is traveling to various speech and debate contests in search of trophies and awards. Speech consists of partially or fully memorizing selections from literature to present orally to a judge. Categories include Original Oratory, Humorous Interpretation, Dramatic Interpretation, and Extemporaneous Speaking. Experienced speakers on the squad are Ron Martin, Tammy Mallory, and Larry Clark. Debate is merely the arguing of a topic (this year energy independence) with set rules and guidelines. At press time, the Speech and Debate team has traveled to Lawrence, and Wintrop, and plans to go to Harvard, Orono, Biddeford, and the University of Maine, among others.

Vocational Business Club

Front (L to R): Patti Willette, Becky Rockwell, Maureen Moore, Suzanne Rice, Chris Hardy, Debbie Cote, Cheryl Savoy, Peter Travis, Alison Cormier, Kim Fox, Sharon Chapman. 2nd row: Sue Robertson, Laurie Shaw, Gay Stetson, Pam Shaw, Wendy Pooler, Cheryl Huskins, Deandra Aucoin, Peggy Smith, Anita Knox, Sue Lowder, Kim Clark, Robin Rogers, Holly Knowles, Debbie Robertson, Gwen Carey.

The Vocational Business Club consists of about 30 juniors and Seniors who are taking the business course. Meetings are held on the first Thursday of each month. The club, under the direction of Mrs. Brooks has been very active this year. Each year baskets are filled with food by the members around Thanksgiving and Christmas. At the end of the year Career Night is, held when businessmen come to talk to the club. In order to raise money for the annual scholarship, cupcakes and jewelry were sold.

Librarian's Aides

Front row (L to R): Cindy Guerin, Peggy Stevens, Lorrie Kimball, Kim Tracy, Mamie Boyce, Penny Calway, Linda Folster. Back Row (L to R): Keely Boynton, Mike Brooks, Robin Ward, Mrs. Boivin, Bertha Smith, Wendy Brundage, Tammy Nile. Absent: Linda Gagnon.

The library has a team of competent librarians this year, along with a new librarian aide. Mrs. Skirvin came to us on December 11 after a series of substitutes.

Many students don't know just how much work a library requires. The library aide must do such things as punch the students' passes, fix new monthly passes, make repairs on books, process new books, file cards, and sign students back to their study halls.

The head librarian (Mrs. Boivin) tells students how to find books, orders new books, takes late fines and files cards.

The student librarians check out books, put books back on the shelves, help students find books, make sure the books are in a chronological order so that the students may have an easy time of finding the books they want. These students do not get paid or receive any academic credit for their duties in the library.

Among the students that gather in the library in the course of a day, there are the pranksters and the noise-makers, but overall the students are quiet and polite.

Witchcraft

Front (L to R): Leeann Hanson — Writer, Karen Coombs — Girls' Sports, Carol Ann Mooney — Editor, Beth Davis — Ass't. Editor, Becky Gray — Girls' Sports. Standing (L to R): Linda Harmon — Advertising, Scot Marsters — Boys' Sports, Bruce Burrill — Exchanges, Mr. Immel — Advisor.

The Witchcraft staff under the direction of Mr. Richard Immel publishes the Brewer High School newspaper. This energetic group devotes many after-school hours in producing each issue. The first step in such a production is to secure adequate advertising from local businessmen to finance each issue. Then writers use their skills to produce articles that are both informative and entertaining. The photographers strive to catch the reader's eye with action shots. After several trips to the printer the production staff takes the printed steps and forms a newspaper. After the final trip to the printer, the Witchcraft is for sale.

Your Children

by Sharon Richards

Yesterday we, your children played.

In the mud, in the grass, in the sand.

Telling our stories of kings we would be

To the caterpillar in our hand.

Today we are grown, we are wiser, it's true.

Around us you've built a protection from harm,

You're our home; our cocoon on the tree.

Tomorrow our lives will begin in full,

The butterfly ours to set free.

And by knowledge and love that has guided us on,

Together we'll make it — you'll see.

What Did You Say?

by Carol Ann Mooney

When I learned I was moving to Maine, there were some problems I expected. I predicted the cold weather, adjusting to a new school and being homesick. The one thing I was not prepared for was learning a new language.

One of the first things I realized was that no one in Maine knew what an "r" is or where it should go. My theory on the subject is that if Mr. Webster didn't intend for "r"'s to be pronounced he wouldn't have put them in so many words. However, no one in Maine seems to agree with me.

My first encounter with this strange new language was in Bucksport. The power had gone off and I was sitting in my room when a maid walked in. "It sure is dak in here" she said.

"Dak?" I thought. "What in the world is dak?" I then tried experimenting by sticking "r"'s into the word. "Drak, dark, that must be it" I mumbled to myself.

I am not the only one in my family with this trouble. My father spent hours looking for "High-lo" Street in Bangor, only to find out it was Harlow he was looking for. My mother was talking on the phone to a man who called himself Mr. Mattin. She asked him how to spell it and he replied "M-A-R-T-I-N."

I was quite puzzled when I noticed kids asking teachers, "May I go to the basement?" I could not figure out what was in the basement. I didn't even know the school had a basement. Finally, I asked one girl, "What's in the basement?" I was embarrassed to find out it was the bathroom. Another day I heard someone mention an elastic. Well, that just doesn't make sense. Something can be elastic, such as rubber, but using it as a noun just doesn't make sense. I finally found out it meant rubber band. Why would anyone call a rubber band an elastic?

Some people think I talk funny. I don't know what they're talking about, at least, all my words make sense, and mean what they're supposed to. Y'all is a necessity in my vocabulary. It is simply, a contraction for you all. It's used when you're talking to one or more you. How could anyone live with out the word y'all? Another of my words is fixin'. Fixin' is a useful word. Some examples of its usage are: "The bell's fixin to ring." "We're fixin' to leave." It's a perfectly useful word.

I don't know if I'll ever get used to the way people talk up here. Maybe someday they'll understand me. Maybe someday I'll start talking like the people up here. Ayuh, I bet I will.

United Nations Pilgrimage For Youth

Heidi Fogg

The "United Nations Pilgrimage for Youth" is a program sponsored by the Odd Fellows and Rebekahs for the betterment of students across the United States.

In June of 1978, I traveled to New York City for an all-expense paid, one week trip. The purpose of this trip was to learn about the United Nations with other students. There were one hundred fifty young people from states such as Louisiana, Alabama, Virginia, Ohio, Florida, Washington, D.C., Nebraska, and Maine.

While in the "Big Apple", we went to the Empire State Building, Radio City Music Hall, and of course, the United Nations building.

All students learned how and why the United Nations works. During the week, we listened to lectures about disarmament and international peace.

It was a great learning and growing experience for every participant. We learned many things, and we made new friends. Such a trip could never be forgotten, and I will treasure the memories and close friendships forever.

The Brewer High Student Council consists of twenty-one members who are elected by their own class for a term of two years. It is the student government of the school, and also a form of communication between the faculty and the student body.

We have donated gifts to the school, such as the scoreboard, and for the past few years held a blood drive in the spring. It is an active group which tries to maintain harmony in the school.

Interclub Council

Front row (L to R): Doug Fogg, Laurie Brown, Sharon Richards, Amy Banks, A.J. Walker, Marianne McNally, Lisa Lord, Barry Martin. Back row (L to R): Miss Cronin, Mary Ward, Denise O'Connell, Nancy Tremble, Joe Shumaker, Jim Pelletier, Mark Sedgewick, Ed Cyrus, Scott Wheeler, Carol Ann Mooney, Mr. Lindeman.

The Interclub Council is composed of the presidents of each club in the school. Members meet about once a month. All money-making projects, such as bake sales, must be okayed by the Interclub Council. This club is also responsible for setting up the Winter Carnival. The vice-president of Student Council automatically becomes the president of Interclub Council. This year's president is Amy Banks.

National Honor Society is a highly honored club for Juniors and Seniors with an 85 or better average. Approximately 15% of the Junior class and 20% of the Senior class are chosen based on grades, leadership and extra curricular activities. In January the Juniors and new Seniors representatives are chosen. There is a ceremony at the high school cafeteria to formally initiate these members. The activities the club participates include many bake sales during lunch periods for Halloween and Christmas holidays, and last year the club started a new exchange in between the members of NHS at Brewer and members of NHS at Bangor High for example. Miss Wishart is our advisor and club officers include President, Marianne McNally; V. Pres., Herb Jordan; Sec., Linda Harmon and Treas. Cathy Collins.

Girls' State is a very interesting and worthwhile event. At Husson College for one action-filled week, over 400 juniors throughout the state gathered to learn about the U.S., state, city and town governments. The girls were divided up into towns in the State of Dirigo and each was in either the Nationalist or Federalist Party. Throughout the week we went to town meetings, party caucuses and lectures, and had the opportunity to form our own government in the State of Dirigo. We formed our governor's platform, decided on the issues to include, and experienced the excitement of the event by taking part in the elections. We had many speakers during the week, including Senator William Cohen, who came especially to talk about the U.S. government. It was very interesting. Girls' State, however, is not only to learn about the government, it is also a time to meet great new friends, for recreation, but mostly it is an experience we'll never forget.

At Boys' State we were divided into "towns" and "political parties." We elected a governor and a legislature. The legislature enacted several bills, of which the two most prominent called for the purchase of pizza from a local dealer and the merger of Boys' State with Girls' State.

Third row (L to R): Steve Huskins, David Coco, Gary Briggs, Steve Jordan, John Mills, Keith Rand, George Kattermann, Doug Farnham, Todd Greenquist, Charlie Milan.

The Key Club is a service organization. This year has been the busiest year yet for the club, with many more activities than usual. The club has had the year's first dance, a doughnut sale, a candy sale, a pizza party for retarded children, a Christmas gift project for under-privileged children, Christmas caroling at senior citizens' homes, and a course in CPR (cardio-pulmonary resuscitation). The money raised has been used for donations to the Cerebral Palsy Telethon, the Cancer Society, and Project Care.

Members are suggested to the club by freshmen English teachers or nominated by existing members and then selected by the club's vote. This year's officers were: Joe Shumaker — President, George Kattermann — Vice President, Stephen Jordan — Secretary, and Andrew Walker — Treasurer. The Board of Directors were Fred Cyr, Tim Revello, Bruce Nickerson, and the regular officers.

Se Beowulf is a service organization consisting of thirty girls. Members are chosen on the basis of their freshmen and sophomore English grades and their extracurricular activities.

Each year teachers who need help correcting papers or typing come to our advisor, Mrs. Coombs. The girls are then assigned to a teacher whom they help throughout the year.

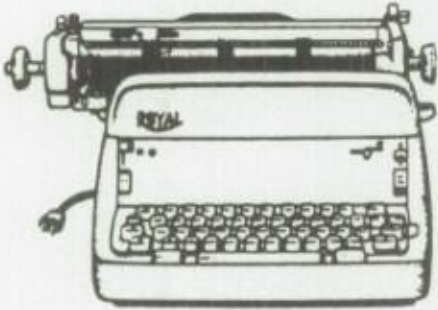

Around Thanksgiving, baskets were made, filled with food and distributed to the needy. We have also decorated Christmas trees and gone caroling along with the Key Club. For the first time in several years, we have participated in the Hi-Y Bowl.

The officers this year are Laurie Brown — President, Linda Harmon — Vice-President, Sharon DeBeck — Secretary, and Linda Houston — Treasurer.

In Memoriam

Nancy Dickey

He that dwelleth in the secret place of the Most High
Shall abide under the shadow of the Almighty.
I will say of the Lord, "He is my refuge and my fortress:
My God; in Him will I trust."
